

**Southern Oregon University
Board of Trustees**

**RESOLUTION
Amendment of the Compensation of the University President**

Be it resolved,

The Board of Trustees of Southern Oregon University amends the compensation of the university president as follows.

Compensation

Dr. Linda Schott's annual base salary for a 1.0 full time equivalent position shall be frozen at \$272,000, less a 20% reduction, on an annualized basis. This reduction is consistent with all administrative employees' participation in the Oregon Work Share Program.

Duration

This temporary action is effective July 1, 2020.

In a future meeting of the Board of Trustees, when a more complete picture of the university's general financial condition is available and the fuller scope of the university's austerity measures is known, the board will reconsider the compensation of the university president, not later than January 2021.
